Greetings from the East my Brothers,

It is with great pleasure and humility I summon you to the 500th monthly communication of Britannia Lodge #1166. This month's meeting will be a special one for me, and I hope, all of you. I am very excited about this year's schedule and want to give you a brief overview of what is in store for our lodge this coming Masonic year.

We will be holding a number of degrees which will cover Entered Apprentice, Fellowcraft, and Master Mason (not necessarily in that order). We have three excellent candidates that are up for their Fellowcraft and a few others we anticipate will be in waiting for the degree for Entered Apprentice by winter. For those of you who enjoy degree work, this year will be one you will surely appreciate.

We have our brothers from England visiting this fall as well as our trip to Sulgrave this spring. This trip only comes once every four years. I wholeheartedly encourage you to take advantage of it. Look for more details to be presented in lodge in the coming months. It is sure to be filled with tremendous fraternal memories.

Last, but not least, one of the things I want to accomplish as Master is to facilitate communication amongst the brothers of the lodge within and without the lodge. There are many ways to achieve this and here are a few that we have already begun undertaking:

- Increased our efforts in terms of visitations to and from other lodges throughout the Manhattan Districts
- In the same vein, a number of our brothers are visiting Lafayette Lodge in New Jersey on Friday 28-September. Please contact me if you are interested in joining this delegation. It should be quite a bit of fun – and long overdue.
- Our lodge website, www.britannialodge.com is undergoing a major overhaul and we will be rolling out new features in the coming weeks. I encourage you all to visit the site and take a look around. I think you will like what you see. Any suggestions are, as always, welcome and encouraged

Sincerely and Fraternaly,

Brother Patrick Healy, WM
